Lord I will love You du - ring my soul's dark - est night
 Lord I will love You though my loved ones You call home

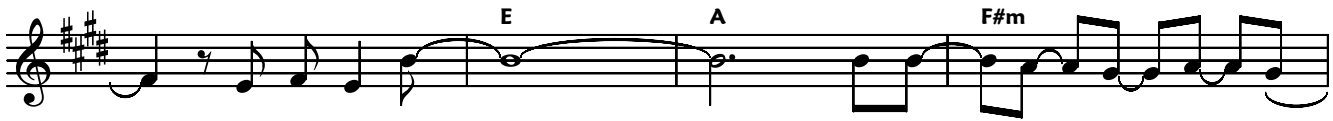

And I'll ne - ver for - get you're my source and my light
 I'll al - ways re - mem - ber you've not left me a - lone

Lord I will love You though I just don't un - der - sta - and
 Lord I will love You in both my joy and sor - row

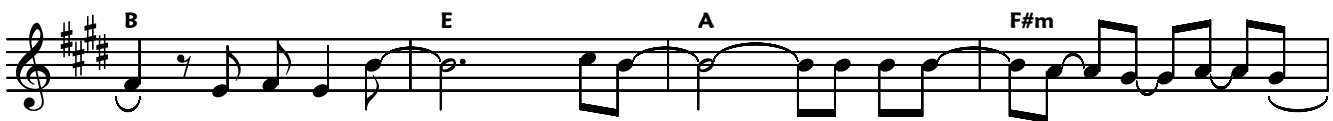

Why my life gets trou - bled, no - thing goes the way I - planned
 I'll praise You for this day and ne - ver fear to - mor - row

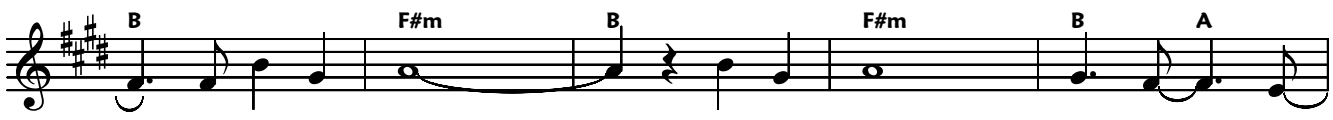

But You are Lord, you're ev - ery - thing I need

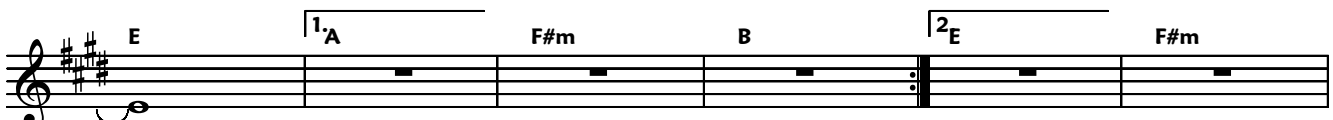

And I will ce - le - brate the life you gave to me

And I will run to You as Your arms are o - pen wide

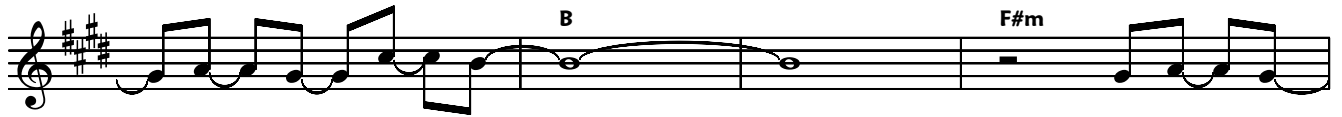

And I will love, I will love You my Lord

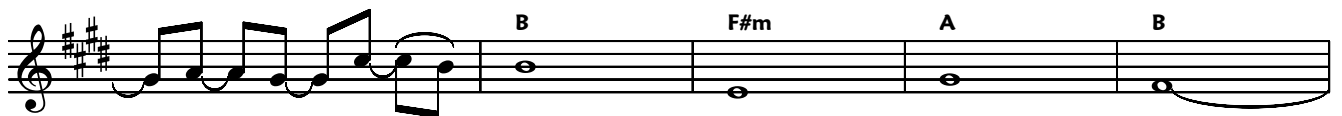

Lord I will love You though Your face

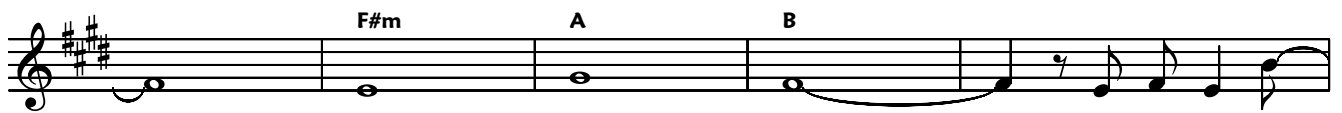

I can - not see How my heart

will sing and wor - ship as You gen - tly whis -

- per I love thee, I love thee,

I love thee But You are Lord,

you're ev - ery - thing I need And I will ce -

- le - brate the life you gave to me And I will run

to You as Your arms are o - pen wide And I will love,

I will love You my Lord You my Lord
